Grant Recipient: The Woman's Club of Morristown, Inc.

Location: Morristown Town

Built in 1797 for the family of Dr. Lewis Condict, the building is in the Federal style. During WWI, the building was the Red Cross Headquarters. It now serves as the home of the Woman's Club of Morristown. It is individually listed on the National and New Jersey Registers of Historic Places.

The County funded a basement sprinkler system in 2005 and a Preservation Plan for the house in 2006.

The 2007 and 2008 grants completed partial exterior restoration of the historic core of the building.

The 2010 grant provided for the stabilization of the auditorium roof structure and the restoration and repair of exterior features including carpentry, windows, exterior doors, stucco, masonry and the main roof.

A 2011 grant assisted with replacement of the slate and metal roofs at the historic core, carpentry and stucco repairs, doors and windows restoration, and exterior painting.

The 2014 grant completed mechanical upgrades and repair associated finishes. A 2017 grant provided for the design and installation of interior storm windows for sidelights and transom at the main entrance.

A 2017 CD grant and 2018 grant provided for partial roof and windows replacement.

The 2020 grant completed construction documents for exterior restoration including painting, repair of wood siding,
